SUICIDE AWARENESS RESEARCH AND PREVENTION PROJECT

LETTER OF RECOMMENDATION

Ref: **TPS-CU-LOR-013**

Jan 12, 2026

I am writing this letter of recommendation in support of **Mr. Abdullah Aamir**, whom I have known in my capacity as **Founder and Chief Executive Officer of The Project Suicide (TPS)**. Abdullah has been associated with TPS since **October 2025**, during which time he has volunteered with us as a **Planning Specialist**.

In this role, Abdullah demonstrated a strong sense of responsibility and consistency in his work. He contributed to the **planning and structuring of mental health campaigns, supported the coordination of awareness initiatives**, and helped ensure that activities were well-organized and actionable. His contributions reflected a practical understanding of how structured planning supports effective social impact work.

Abdullah showed particular strength in reviewing ongoing initiatives and suggesting improvements to enhance clarity, efficiency, and alignment with organizational goals. He also proposed ideas related to improving internal workflows, including the use of more systematic and automated approaches. He works well in collaborative settings, communicates clearly, and follows feedback thoughtfully.

Like many early-stage professionals, Abdullah continues to develop confidence in long-term strategic decision-making; however, he has demonstrated openness to learning and a willingness to improve his approach over time. He approaches his responsibilities with professionalism and ethical awareness.

Overall, Abdullah Aamir demonstrates seriousness of purpose, reliability, and growing leadership potential. I believe he would benefit from graduate-level education and would engage constructively in academic and applied environments.

I recommend him in good faith for consideration for your Master's program.

Sincerely,

Mohammad Sheraz Akbar
